

Salesforce Apex Sync Package

How to find out what Salesforce Apex package is running:

- 1) Go to the Rallybound Admin for a specific fundraising campaign:
- 2) Right-click and select "Inspect", or hit "Ctrl+Shift+I"

- 3) Go to Settings > Integration Options
- 4) On the right-hand side click "Network"
- 5) Find "EventIntegrations"

- 6) Select the down arrow next to Data so options expand.
 1. ApexSyncPackageVersion will appear. In this example the Apex Sync Package has not been downloaded so the value is "null".

Global Search: Enter a Member or Team name, donation amount or id. Home devyell@rallybound.com
