

How to modify default donation amounts

On the donation page, preselected donation amounts are presented to the donor to guide them through their donation. These amounts are editable. To edit the donation amount buttons, follow these steps:

1. Log in to the Admin at admin.rallybound.com
2. Navigate to the donation page of your campaign site
3. Click "Enable Editing" in the top right
4. Make your desired changes:
 - Edit the amounts by clicking into a button and typing a different amount.
 - Remove buttons by clicking the "x" above each button.
 - Add buttons by clicking the button with the plus and entering an amount.
5. When you're done, click "Publish" in the top right

Donation settings

To reorder the donation amount buttons, remove those that are out of order and recreate them in order using the instructions above.

Note: the buttons that appear on the donation page also appear in the same order on individual personal and team fundraising pages.
