

Administrator Contact Email

Administrators can manage their Rallybound contact email addresses by configuring the "From" email address in the campaign's correspondences. To do so, please follow these steps:

1. Log in to the Admin at admin.rallybound.com
2. Navigate to the entity (organization, group, or campaign) on which you'd like to configure this setting. [Click here](#) to learn more about inherited settings.
3. Click the "Email" tab
4. Click "Advanced" in the left sidebar
5. Enter the email address in the "Admin (From) Email Address" field

To indicate which email address (or addresses) should receive administrator notifications from the campaign. Follow these steps:
