

Reports for relaunched campaigns

When a campaign is relaunched, the reports of the past campaigns are still accessible. Access reports on relaunched campaigns by following these steps:

1. Log in to the Admin at admin.rallybound.com
2. Navigate to the campaign on which to run a report
3. In the left sidebar, click the arrow on the "Past Campaigns" button
4. Click the year of the campaign on which to run the report
5. Once the relaunched campaign opens, click the "Reports" tab
6. [Run a report](#) as usual
