

How to edit fundraiser information (instructions for administrators)

Admins can edit the following details for fundraiser pages:

- Fundraising page title or message, as well as many other actions that can be taken by the fundraiser. See [How to Log in as Fundraiser](#)
- Fundraiser Contact details like Name, Email and Address can be changed through the People > Contacts tab.
- Fundraising details like Goal, Custom URL, Campaign Name, Registration fields and Team can be changed through the People > Registrants tab. Please see [Edit Registrant](#).
- Profile image can be uploaded through the People > Registrants tab.

Other details can be set as defaults for all fundraising pages:

1. Default banner hero image - Please see [Fundraiser Hero Image](#)
2. Default welcome headline and message - Please see [Personal Page Defaults](#)
